PICKLEBALL PLAYER

## About me

Since starting to play pickleball in August of 2022, I've developed a deep love for teaching the sport to individuals of all ages and skill levels. The game's fast and enjoyable learning curve makes it a joy to introduce to newcomers. My dedication to pickleball has yielded impressive results, including 30 Gold Medals, 7 Silver Medals, and 3 Bronze Medals earned to date. Furthermore, I've achieved the esteemed position of being the number 1 ranked Singles player on the APP Senior Pro Singles Tour since February 2024. This success has led to my selection as a drafted player for prestigious events such as the APP Humana Cup starting in January 2024 and the NPL starting in May 2024. Among my proudest accomplishments in pickleball are winning 4 APP Senior Pro Singles Titles and, most notably, securing the US Open Senior Pro Singles Title.
